

ECC's Current COVID-19 Precautions

Update January 11, 2021

Dear church family,

As we look forward to continuing our re-opening plans I want to provide you with some additional information on our next steps. This coming Sunday (1-17) we plan to resume our two-service format and restart Sunday morning programming. Here is an outline of the new plan.

1. Our worship service times will be 9:00 and 11:00 - both will be the same worship format
2. Only the second service (11:00) will be broadcast - see the ECC website
3. Between the two services one ACG will be offered in a room not used by other ministries
4. During the 9:00 and 11:00 hours the classrooms will be available for youth and children's programs
5. This plan allows for more available classroom spaces, thus more social distancing
6. Between the 9:00 and 11:00 services we ask that everyone who is not attending an ACG please exit the building
7. Your cooperation is important because sanitizing will take place between the two services
8. Please continue to follow the 2-person limit in the restrooms
9. Wearing of face coverings is required
10. We will limit Sanctuary seating to 100 people per service - overflow will be arranged in the Gathering Space

These are some of the details we have established at this time - essentially a return to the same format we had before the holidays. Since things continue to evolve please know that all plans have the potential to change. We will keep you informed of any changes to our plan at every step along the way. Hopefully we will be able to follow this plan and we certainly look forward to seeing all of you who feel comfortable coming to be with us on Sunday. We also look forward to returning to full capacity worship as soon as it is safe to do so.

Grace and peace,

Pastor Bob
